

IMPULSION 2019

IDEXLYON CALL FOR PROPOSALS

PRESENTATION

- **Launching date:** July 10th 2018
- **Closing date for applications to your institution:** October 1st 2018 at noon.
- **Objectives:**

IMPULSION supports the working environment of newly arrived researchers/faculty on the campus of Lyon Saint-Étienne, especially in their research and teaching projects.
- **Requirements:**
 - Having been hired by a member institution of the Université de Lyon in 2018, as a MCF, PR, CR, DR (or equivalent).
 - Having been part of the external hiring (applicants must have spent four out of the six years before the hiring outside an institution of the University).
- **Selection criteria:**

The final selection will be based on reports from the applicant's institution based on the applicant's:

 - Scientific quality and "high potential"
 - Academic achievements and international reputation.

PRACTICAL INFORMATION

- **Type of support**

IDEXLYON funding will be awarded in the form of specific funding dedicated to research and teaching programs (including operating costs, equipment and salaries of postdocs and technical staff). This funding is directly managed by the partner institutions.
- **Duration (starting January 2019):** 24 months
- **Amount of the funding:** 80.000 euros maximum for each project
- **Timetable and selection:**
 - Candidates must apply directly to their institution at the latest on September 28th 2018 at 12pm.
 - The Executive Board of the IDEXLYON will select the applications after consultation with the Academic Group in October 2018 (more information on IDEXLYON governance: [IDEXLYON governance web page](#)).
 - Winners will be notified at the latest on November 2018.
 - Funding will start on January 1st 2019.

HOW TO APPLY

To apply to this call for proposals, applicants must contact directly their institution as described below, at the latest on October 1st 2018.

- **For the CNRS, please contact directly M. Denis Duplat (denis.duplat@cnrs.fr) head of Partnership and technology transfer department.**

Applications will be sent to the Université de Lyon by the institutions after a pre-selection phase. The CNRS will select maximum 4 applications not later than October 12th 2018 at noon.

- **Questions** concerning this call for proposals must be sent to: pia@universite-lyon.fr
